

April 2026 | [Dawson Fund](#)

Alumni and Family Picnic
Saturday, May 16

Return to campus to reconnect with alumni and faculty! We would love to see you there, so RSVP today! Encourage your classmates to RSVP and join us on May 16.

Additions to this Year's Event:

* Help us shine a spotlight on our

Dawson Legends during the picnic. These dedicated faculty members have served our community for 20 years or more. These are the mentors who didn't just teach history or calculus; they helped shape the very culture of our school over decades of service.

* Share a memory for long-time faculty member, Scott Schneider's Retirement! Submit your memory [here](#). We will be celebrating Mr. Schneider at the Alumni and Family Picnic in May, so make sure to mark your calendars and RSVP!

Join us for this year's exciting alumni event.

RSVP

The Great History Challenge Comes to Dawson

Dawson recently hosted the inaugural Colorado Region's Great History Challenge. From the moment the organizers arrived on campus, we established ourselves as one of the premier venues, perfectly balancing professional rigor with warm hospitality. The event organizer was

complimentary, remarking that Dawson's campus was one of the most beautiful and well-organized sites he has encountered on the regional circuit.

The event welcomed several of our neighboring private school rivals for an evening of intense intellectual competition. Both BCD and The Academy sent teams to compete. Despite the pressure of facing off against such strong local peers, our Dawson competitor demonstrated remarkable poise, deep knowledge, and school spirit. We are thrilled to officially announce that our standout 8th Grader, Chase C. '30, emerged as one of the overall winners of the regional event! Chase has officially qualified for the National Great History Challenge in Ohio next month. Congratulations to Chase; we cannot wait to cheer her on next month.

Events like this do more than just test historical knowledge; they showcase our school's ability to lead and host at a high level. The event organizer's praise confirms that we are providing an experience on par with the best middle schools in the country. This event, this win, and this national qualification have put a spotlight on the excellence Dawson strives for daily.

Get Your Tickets to *Dine with Dawson* Saturday, May 2

There are just 5 more days to get your tickets to Dawson's annual auction and community celebration, *Dine with Dawson*. Join us at Boulder Creek by Wedgewood Weddings to reconnect with other graduates, swap stories with your

favorite faculty members, and see how the Dawson spirit continues to thrive. Event details and tickets are available [here](#). Tickets are on sale through April 20.

Be Featured on the Dawson Website!

The alumni webpage is live, and we are excited to spotlight our wonderful alumni through alumni profiles. [Please take a look at the page](#), and see what your Dawson friends are up to!

If you would like to be featured in our alumni profiles, please fill out our interview questionnaire [here](#)!

Help Dawson Update our Alumni Records!

Please forward this email to alumni who may not be receiving our communication. We also ask for your help to update our alumni records. If you could help collect your classmates' current contact information, please email ssherbahn@dawsonschool.org. Stephen would love to chat about what that will look like and how you can help.
