Winter Alumni Event was a Success!

Thank you to everyone who attended Rayback last Friday evening. Dawson alumni from 1994 to 2025 gathered to reconnect with their fellow alumni and faculty. It was a pleasure connecting with everyone, and we hope to continue this event in the years to come.

Winter Carnival is this month!

Winter Carnival, one of Dawson's most beloved traditions, is coming up at the end of January. From January 26-30, everyone will earn points for their team, culminating in Winter Carnival on Friday afternoon. Which color will come out on top this year?

As part of Winter Spirit Week, we are once

again partnering with A Precious Child to support families in our wider community.

We are collecting new or gently used children's and adult clothing, as well as new hygiene items.

How You Can Help

Drop off donations in your team color bin. All sizes are welcome, from infant to adult.

2026: Calling all Mustangs!

It's time to trade your old yearbooks for a seat at the table. We are thrilled to invite our alumni back for *Dine with Dawson*, our annual auction and community celebration.

This year, we're heading off-campus to the beautiful Boulder Creek by Wedgewood Weddings. It's

the perfect opportunity to reconnect with former classmates, swap stories with your favorite faculty members, and see how the Dawson spirit continues to thrive. Whether you graduated five years ago or fifty, your presence is what makes this community whole.

Special Early Bird Alumni Ticket: A limited number of discounted alumni tickets are available now. Grab yours by February 14 to lock in your spot at a special rate. Use code ALUMNI26 for \$25 off.
